2016 Child Care Market Rates in NYC

The child care rate information below is shared with you as a guideline only in pricing the cost of child care in New York City. These “market rates” published by the New York State Office of Children & Family Services (OCFS) are the maximum rates that child care providers are paid by New York State. They do not represent a general market minimum or maximum price. As with any service, please note that child care services vary widely in pricing. Use the chart below for a general idea of the cost of child care in NYC.

Special Needs Child Care

The payment rate for child care services provided for a child determined to have special needs is: the actual cost of care, up to the statewide limit of the highest weekly, daily, part-day or hourly market rate for child care services in the State, as applicable, based upon the amount of time the child care services are provided per week, regardless of the type of child care provider or the age of the child.

The highest full time market rate in the State is:

Weekly	\$371.00
Daily	\$ 60.00
Part- Day	\$ 40.00
Hourly	\$ 17.00
